

SKETCH NOTES

-Sketch notes are notes that consist of pictures, key words, or phrases to express what you have learned in a piece of writing.

-You will need to have sketch notes for chapters 2-4 in The Princess Bride. Your sketch notes should give a clear indication of what the chapter was about. Complete these in the green section of your notebook.

-For the movie, you need to choose from either sketch notes on the plot of the movie, a character analysis through sketch notes, or a Venn Diagram comparing the book and movie. Complete this in the note section of your notebook.
